

## Registration Information

All registration will be conducted through an online service.

To register, use your web browser to go to [www.2010tlsc.eventbrite.com](http://www.2010tlsc.eventbrite.com).

Online registration fee is \$30 per person, \$25 per Master Gardener, walk in fee \$35 .. which covers short course materials, breaks and lunch ... plus a complimentary pass to the Tampa Bay Wholesale Growers Exhibition at the State Fairgrounds.

New Location — The Tree and Landscape Short Course is moving to the Trinkle Center on the campus of HCC in Plant City. This newly completed and modern facility will provide a greater variety of programs and high quality and comfortable meeting rooms, all while keeping costs down and making these programs more affordable.

Support for this program comes from the Hillsborough County Extension Tree and Landscape Advisory Committee, the Hillsborough County Board of County Commissioners, the University of Florida IFAS, private business partners and your registration fee. Additional funding was provided through a Community Education Grant administered by the Southwest Florida Water Management District.

Sponsored by a grant from the Alafia River and Hillsborough River basin boards of the
