Spend the day examining many of the processes that are used in the day-to-day operations of an arborist. Our speakers will discuss the ANSI Z-133 Standard for Safety and its usefulness in developing safety within your workforce.

If ***you*** had the opportunity to save the life of an arborist or protect that person from an injury ***could you***? We ***ALL*** have the ability to do this. Come and learn the "How To's" of Arborist Safety and Climbing.

Spanish translation available! Maximum of 10 seats are available for Spanish speaking attendees. Live translation will be provided via headsets. ***Mark your registration properly*** to reserve your spot!
