RELATIONSHIP TO ORGANIZATION: _____

Application Date this ____ day of _____ 200__.

By signing this application, the above named person represents that they are official representatives of the applicant organization or property and have the authority to submit this application, and that they have reviewed and agree to all the details of the FL-ISA Work Day Project and understand and accept the partnership agreement between the FL-ISA and the applicant.

If selected;

- The FL-ISA workday committee will estimate the value of the tree work to be done.
- The recipient will be responsible for promoting the event by involving local media including but not limited to television, radio and news papers.
- The recipient shall supply the volunteers with lunch and drinks (especially water) and access to restroom facilities.
- The recipient shall be responsible for disposal of all debris generated from the work day. The ISA committee will work with the recipient to try to secure dump locations close by if dumping on work site is not an option.
- The Florida ISA would appreciate a voluntary donation to the Chapter to help it continue its ongoing Arboriculture research and education efforts in Florida.

This application will be reviewed by the FL-ISA Work Day Project committee, and committee recommendation will be made to the FL-ISA Board of Directors for the final approval. Annual FL-ISA Work Day Projects are typically held in the month of February, weather permitting.
