

Dear Arborist Friends:

The Florida Chapter ISA 2024 Trees Florida Conference Committee and Board of Directors is pleased to bring Trees Florida back to the Fort Lauderdale Marriott Harbor Beach Resort in sunny South Florida. We are looking forward to seeing you in the education sessions, in the exhibitor hall and on the beach.

We also hope to see you at the annual Silent Auction table where we hope to raise money to support the John P White Scholarship and a new generation of arboricultural leaders. Please help us make it a success through a donation to the silent auction. As we near the event, please keep your eyes open for unique gifts and tree items that may be donated to the Silent Auction. If you wish to bring larger items please [contact me](#) first. As Florida ISA is a 501 (c)3 organization your donations may be tax-deductible, consult your tax advisor.

Bring your Silent Auction donations with you when you come to the conference; turn them in to the auction table. [Include your details on the donation form!](#)

Alternately, ship items to:
Florida Chapter ISA
2520 N McMullen Booth Road, Suite B-#235
Clearwater, FL 33761

On behalf of the Trees Florida 2024 Planning Committee, we look forward to seeing you in Fort Lauderdale! And don't forget to join us for a game of ring toss near the auction table, where you can help raise additional TREE fund donations and perhaps win some refreshing prizes.
